ASSIGNMENT BY ONE JOINT INVENTOR
TO THE OTHER JOINT INVENTOR

COPY

WHEREAS, James S. SIMON and Joan KNOWLES, both citizens of the United States of America, whose recorded addresses are P.O. Box 726, Tiburon, California 94920 and 1808 Piper Circle, Anacortes, Washington 98221 respectively, are the inventors, applicants and owners of the entire right, title and interest in and to United States Letters Patent application entitled "WALL MOUNTED BATH BRUSH" bearing Serial No. 10/075,859 and filed on February 12, 2002; and

WHEREAS, James S. SIMON, (hereinafter referred to as the assignee) is desirous of acquiring the entire right, title and interest in and to said invention within the United States of America and its territorial possessions and in and to any United States Patent that may be granted therefor and in and to said application from Joan KNOWLES (hereinafter referred to as the assignor);

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, the said assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto the assignee, his successors, legal representatives and assigns, his entire right, title and interest in and to the above-mentioned invention, application for Letters Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by the said assignee, for his own use and the use of his successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have held and enjoyed by the assignor, had this sale and assignment not been made.

AND for the same consideration, the said assignor hereby covenants and agrees to and with the said assignee, his successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, the said assignor is the sole and lawful owner of his entire right, title and interest in and to the said invention and the application for Letters Patent above-mentioned, and that the same are unencumbered and that the said assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, the said assignor hereby covenants and agrees to and with the said assignee, his successors, legal representatives and assigns, that the said assignor will, whenever counsel of the said assignee, or the counsel of his successors, legal representatives and assigns, shall advise that any proceeding in connection with said invention, or said application for Letters Patent, or any proceeding in connection with Letters Patent for said invention in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said invention, without charge to the said assignee, his successors, legal representatives and assigns, but at the cost and expense of the said assignee, his successors, legal representatives and assigns.

AND the said assignor hereby requests the Commissioner of Patents to issue said Letters Patent of the United States to the said assignee, as the assignee of said invention and the Letters Patent to be issued thereon for the sole use of the said assignee, his successors, legal representatives and assigns.
